

Here is a little jam session that me and my friend had a while back.... I am playing the rhythm and he is playing some of the great lead tunes.... Hope you like it... it really calms me down.... and for all the lyricists out there if you could think of a song to match this tune please leave a comment ....

If you like it please leave a comment and don't forget to share....):D xoxoxo

## Manas Sharma

I'm a physicist specializing in computational material science with a PhD in Physics from Friedrich-Schiller University Jena, Germany. I write efficient codes for simulating light-matter interactions at atomic scales. I like to develop Physics, DFT, and Machine Learning related apps and software from time to time. Can code in most of the popular languages. I like to share my knowledge in Physics and applications using this Blog and a YouTube channel.
