Lyrics:

Alone again again alone
Patiently waiting by the phone
Hoping that you will call me home
The pain inside my love denied
Hopes and dreams swallowed by pride
Everything I need it lies in you

'Cause I'm broken
I know I need you now
'Cause deep inside I'm broken
You see the way I live
I know I know your heart is broken
When I turn away
I need to be broken
Take the pain away

I question why you chose to die
When you knew your truth I would deny
You look at me
The tears begin to fall
And all in all faith is blind
But I fail time after time
Daily in my sin I take your life

All the hate deep inside
Slowly covering my eyes
All these things I hide
Away from you again
All this fear holding me
My heart is cold and I believe
Nothing's gonna change
Until I'm whole again

Broken
Broken
Broken
Broken

Manas Sharma

I'm a physicist specializing in computational material science with a PhD in Physics from Friedrich-Schiller University Jena, Germany. I write efficient codes for simulating light-matter interactions at atomic scales. I like to develop Physics, DFT, and Machine Learning related apps and software from time to time. Can code in most of the popular languages. I like to share my knowledge in Physics and applications using this Blog and a YouTube channel.
