Chords used in the song:

Intro:

Dm

(Verse 1a)

Dm

We touch, I feel a rush, we clutch, it isn't much

F

But it's enough to make me wonder what's in store for us

C

It's lust, it's torturous, you must be a sorceress

G

Cuz you just, did the impossible, gained my trust

Bb

Don't play games it'll be dangerous if you fuck me over

F

Cuz if I get burnt, I'ma show ya what it's like to hurt

Cuz I've been treated like dirt befo' ya

G

And love is evil, spell it backwards, I'll show ya

(Verse 1b)

Dm

Nobody knows me, I'm cold, walk down this road all alone
F
It's noone's fault but my own, it's the path I've chosen to go
C
Frozen as snow, I show no emotion what'soever, so
G
Don't ask me why I have no love for these muh'fuckin' hoes
Bb
Blood-suckin' succubuses, what the fuck is up with this
F
I've tried in this department, but, I ain't had no luck with this
G
It sucks but it's exactly what I thought it would be like tryin' to start over
Bb
I've got a hole in my heart for some kind of emotional roller-coaster

Somethin' I won't go on, so you toy with my emotions, ho, it's over
Dm
It's like an explosion every time I hold ya, I wasn't jokin' when I told ya

You take my breath away, you're a supernova

And I'm a

(Chorus)

Dm F
I'm a space-bound rocketship and your heart's the moon
C
And I'm aimin' right at you
Bb
Right at you
Dm F
250, 000 miles on a clear night in June
C
And I'm aimin' right at you
G
Right at you
Bb
Right at you

(Verse 2): Same as Verse1b

I'll do whatever it takes, when I'm witchu, I get the shakes
My body aches when I ain't, witchu, I have zero strength
There's no limit on how far I would go, no boundaries, no lengths
Why do we say that until we get that person that we think's
Gonna be that one and then once we get 'em, it's never the same
You want 'em when they don't want you, soon as they do, feelin's change
It's not a contest and I ain't on no conquest for no mate
I wasn't lookin' when I stumbled onto you, musta been fate
But so much is at stake, what the fuck does it take, let's cut to the chase
'Fore the door shuts in your face, promise me if I cave in and break
And leave myself open that I won't be makin' a mistake

Cuz I'm a

(Chorus)

I'm a space-bound rocketship and your heart's the moon
And I'm aimin' right at you
Right at you
250, 000 miles on a clear night in June
And I'm aimin' right at you
Right at you
Right at you

(Verse 3) Same as Verse1b

So after a year and 6 months, it's no longer me that you want
But I love you so much it hurts, never mistreated you once
I'll pour my heart out to you, let down my guard, swear to God
I'll blow my brains in your lap, lay here and die in your arms
Drop to my knees and I'm pleadin', I'm tryin' to stop you from leavin'
You won't even listen, so fuck it, I'm tryin' to stop you from breathin'
I put both hands on your throat, I sit on top of you, squeezin'
Til' I snap your neck like a Popsicle stick, ain't a possible reason
I can think of to let you walk up out this house and let you live
Tears stream down both of my cheeks, then I let you go and just give
And before I put that gun to my temple, I told you this

(Bridge)

Dm
And I woulda did anything for you
F
To show you how much I adored you
C
But it's over now, it's too late to save our
G
Love
Just promise me you'll think of me

Every time you look up in the sky and see a star

Cuz I'm a

(Chorus)

I'm a space-bound rocketship and your heart's the moon
And I'm aimin' right at you
Right at you
250, 000 miles and a clear night in June
And I'm so lost without you
Without you
Without you

End: Dm
