

It's 7th of July and the third cutoffs have been announced for admissions in Delhi University. This year saw a considerable hike in the first and second cutoff-lists rendering a lot of aspiring students hopeless and unhappy. The number of seats for the honors courses was also slashed this year which contributed in the rocketing of the Cutoffs. But nonetheless some colleges still have some vacant seats left and if you meet the cutoffs go grab your seat immediately. That is why we are providing you with these cutoffs as quickly as possible.

Manas Sharma

I'm a physicist specializing in computational material science with a PhD in Physics from Friedrich-Schiller University Jena, Germany. I write efficient codes for simulating light-matter interactions at atomic scales. I like to develop Physics, DFT, and Machine Learning related apps and software from time to time. Can code in most of the popular languages. I like to share my knowledge in Physics and

applications using this Blog and a YouTube channel.
