

Here is a Power Point of a

Science/Physics Quiz. Some of the questions were taken from the 'Quiz Up' , android/iphone app.

The questions are meant for intermediate/high school senior year students. The questions are pretty basic if your concepts are clear. The questions are quite entertaining.

Manas Sharma

I'm a physicist specializing in computational material science with a PhD in Physics from Friedrich-Schiller University Jena, Germany. I write efficient codes for simulating light-matter interactions at atomic scales. I like to develop Physics, DFT, and Machine Learning related apps and software from time to time. Can code in most of the popular languages. I like to share my knowledge in Physics and applications using this Blog and a YouTube channel.
