

I am posting here the question Paper for the subject: Advanced Numerical Techniques (Theory and Practical) for the IV semester year 2018. The question paper is for the students of M.Sc Physics at the University of Delhi. Future students taking this course might find it helpful.

[ant 2018 theory practical final sem iv](#)

Manas Sharma

PhD researcher at Friedrich-Schiller University Jena, Germany. I'm a physicist specializing in theoretical, computational and experimental condensed matter physics. I like to develop Physics related apps and softwares from time to time. Can code in most of the popular languages. Like to share my knowledge in Physics and applications using this Blog and a YouTube channel.
