

Physics at Nanoscale (II) -Question Paper [M.Sc Physics Sem IV 2018] University of Delhi | 1
I am posting here the final and internal question paper for the subject: Physics at Nanoscale II (Theory) for the 1 semester year 2018. The question paper is for the students of M.Sc Physics at the University of Delhi. Future students taking this course might find it helpful.

Manas Sharma

I'm a physicist specializing in computational material science with a PhD in Physics from Friedrich-Schiller University Jena, Germany. I write efficient codes for simulating light-matter interactions at atomic scales. I like to develop Physics, DFT, and Machine Learning related apps and software from time to time. Can code in most of the popular languages. I like to share my knowledge in Physics and applications using this Blog and a YouTube channel.
